OLUM

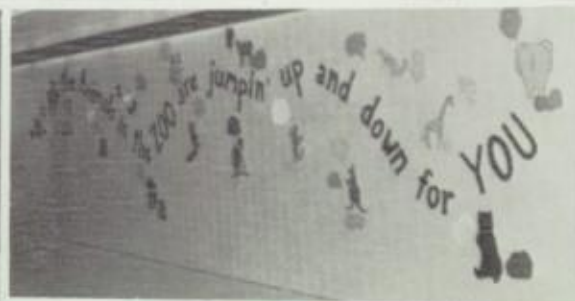

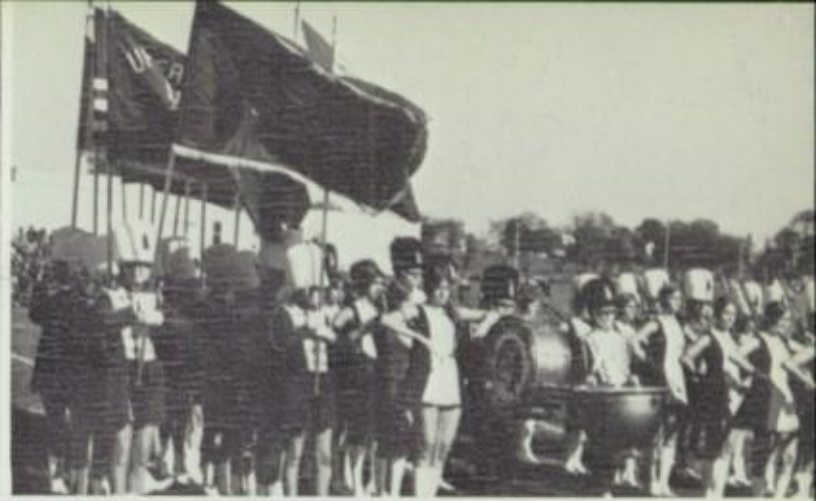

Perry, really
 To a friend and
 good friend and
 third friend and
 when I did not
 anything you
 because you
 too much time
 you good time
 more and enjoy
 to share you
 have you've got
 a fucking wash
 and making money
 you're making
 money! Have
 love a friend
 always,
 do I ride in
 a car?
 you?

Life — so they say
Is but a game and they let it slip
away
Love — like the Autumn sun
Should be dying but it's only just
begun
Like the twilight in the road up
ahead
They don't see just where we're
goin'
And all the secrets of the uni-
verse
Whisper in our ears and all the
years will come and go
And take us always up

Dreams — so they say
Are for the fools and they let
them drift away
Peace — like the silent dove
Should be flyin' but it's only just
begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open
sea
Cast away our fears and all the
years will come and go
And take us up — always up

DEDICATION

Eight years ago, great events of major importance were seething throughout the United States and around the world. The Vietnam War was raging, the Youth Revolution was a tiny seed beginning to bloom, music was suffering the labor pains of a "new" sound, the fashion world had blossomed into unique and wild designs. Our nation was smitten by the scourges of prejudice, bloody riots, and assassinations which had not yet reached their peak, but; which were writhing beneath a pseudo-hope of unbelief expressed by the people.

The Upper Perkiomen School District was starting to realize and appreciate the upheavals in our society. We were in the midst of building a new high school to support our rapidly growing student population. Our school officials had decided to completely revitalize the education system by developing the Middle School concept. Students and teachers were demanding modernization of school policies and curriculum and were determined to be heard.

Into these exciting times stepped a new Upper Perkiomen School administrator. A graduate of Grove City, with an outstanding academic and administrative career, this man accepted the role of superintendent and skillfully guided Upper Perk into the modern education world.

The greater percentage of this senior class' student career has been played out under the auspices of this man. The policies of this school district which we have grown under, have not been exclusively dictated by our superintendent, but it is he who has been the dynamic force behind those policies.

This year, Dr. Donald Thompson is retiring from the service of the Upper Perkiomen School District; we trust not from the community at large. The Senior Class of 1974 wishes to thank Dr. Thompson for his years of dedication to our school and to our class. What better way to express our appreciation than by dedicating our Yearbook to him.

Dr. Thompson: May your life among us in the Upper Perkiomen Valley continue to be prosperous and joyful!

The Class of 1974

RETIRING STAFF MEMBER

At the end of 1974, one of our most dedicated staff members is retiring. The Senior class would like to give recognition to this individual. Mrs. Wilkins has given us her services for many years and we would like to say "Thank you."

Mrs. Wilkins has been our school nurse for 24 years. Many students have received her attention and care. Of course, there were the ones who went to the nurse trying to get out of a test or other classroom activities and our trusty nurse knew exactly what to do. This job takes a great amount of time and patience and Mrs. Wilkins has provided both. We appreciate all she has done and we would like to wish her the best of luck always.

MR. JAMES E. MULLEN,
Assistant Superintendent

To the Class of 1974:

The Class of 1974 has witnessed tremendous strides and growth in the scientific and technical world. You have also witnessed a strong testing of political systems as they exist in our country. I trust you shall view all of this in positive and mature manner. This would mean you accept the challenge of continuing what is good and doing your part to correct that which appears to be contrary to your ideals. Your participation in the future shall be what you choose it to be. Greatness comes when people collectively join together and work toward the common goal. We know you shall do your part.

MR. JAMES E. MULLEN

DR. DONALD C. THOMPSON, D.ED.,
Superintendent

To the Class of 1974:

This farewell to the Class of 1974 is my thirty-third and last year-book message to a graduating class. I thank the 1974 graduates for your outstanding achievements in scholarship, athletics, dramatics, music, and the vocational fields during your school careers. You met the challenges of responsibility and leadership of our school and thereby reflected honor on the thousands of graduates of those earlier years. You also have established high goals for the many Upper Perkiomen Classes who will follow you in the years ahead.

All Upper Perkiomen wishes you happiness and success in your life careers. We are confident that you will serve America well as you have served Upper Perkiomen High School. Your traits of honesty and loyalty are desperately needed in today's society.

Come back home to visit from time to time. You will be most welcome.

DR. DONALD C. THOMPSON

PAUL M. JONES,
Principal

To the Class of 1974,

It has been my sincere pleasure to work with the students of Upper Perkiomen High School for the first time. The theme for our school this year has been "Freedom with Responsibility". We have attempted to carry through the theme much as a conductor leading an orchestra. By setting in motion certain stimuli, we have hoped for certain responses. However, only the musicians can produce the desired results at a concert and even here, only you the student can create beautiful music or unharmonious discord.

Our comparison can continue as we consider our theme. Only by utilizing each talent to the maximum that is possessed by each individual musician and by combining these talents in proper proportion can the director hope for a successful concert. If each musician plays as he wishes even to the point of not using the same music score, each person's talent is wasted. Thus individual freedom is most effective if that freedom is tempered with responsibility to the total group. This same truth applies to our school. Only by using talents for the good of society will each make the most of his individual strength.

Our Seniors have finished their symphony and we wish them our best. Only the future will determine if the performance here was a classic or merely a "pop" tune that will fade over the summer.

PAUL M. JONES

To the Class of 1974,

This is my first year as an administrator in the senior high school, and I am very impressed with the senior class school spirit. I would like to compliment each senior for their fine cooperation and attitude.

The senior class officers and the class advisor did a remarkable and outstanding performance in handling the numerous class functions that occurred this year. All the seniors that participated made the job much easier for them.

To each and everyone of you may you find success in what endeavor you may undertake. Don't become frustrated, don't become a defeatist, don't give up. Good luck, good health, and good fortune.

CLASS HISTORY

The Class of '74 was first united on the opening day of Middle School. Seated in the gymnasium we took our original glimpses of the people who would be our classmates and friends for the next six years. We were the first seventh grade in the Middle School and the remainder of our public school careers stretched invitingly before us.

Our eighth grade year was very exciting as we became the leaders of the Middle School. The Class of '74 conducted a lively Student Council, a fine Band and Chorus, and good sports teams. Our eighth grade party on June 5th, 1970, was a fitting climax to the two eventful years in Middle School.

Ninth grade opened the doors to high school. We immediately became active in Band and Chorus, Student Council, school clubs, and our Junior High Basketball team finished their season in first place.

Curt Markley was our tenth grade class president and also our first class president. His fellow officers were Donald Jacobs, Cindy Rickert, and Karen Fries. This was an exciting high school year for many of our classmates as they began studies at the Vocational Technical school.

Our Junior year found us taking active roles in the leadership of the school. Our first theatrical attempt, "Pride and Prejudice", was a success, as was the Junior-Senior Prom, "Southern Comfort". Juniors could be found leading the sports teams, the Band, the Chorus, and other school activities. Starting a new tradition at Upper Perk, the juniors, with advisor Miss Geraldine Stride, planned and executed a class trip on Easter Monday 1973. Two busloads traveled to Washington, D.C., and those who attended had a marvelous time inspecting the monuments and shrines of our nation's capital. Jim Snell, Donald Jacobs, Cindy Rickert, and Karen Fries were our very active class officers.

Finally we come to our Senior year. Our second class play, "You Can't Take It With You" was well received. Breaking another tradition, we held our Junior-Senior Prom at the Indian Valley Country Club. Other landmarks of our Senior year were the name writing contest, the many mix-masters and other social events, the class trip to Mt. Airey, and the many class picnics: outdoors and in the cafeteria! Jim Snell, Donald Jacobs, Kathy Tomlin, and Karen Fries were our senior class officers.

The school year of 1973-74 has been the beginning of a new era at Upper Perk with the coming of Dr. Persing, Mr. Jones, and Mr. Yurchak. With these men the Class of '74 has helped continue "the pursuit of excellence" which is Upper Perkiomen's goal. Hopefully it has left a legacy of high ideals and school pride to the classes following after us.

Since that first day in the Middle School gym, we have come through many memories as a class. Now we prepare for the final day together, Commencement. We hope that the knowledge and strength we have experienced, one with each other, in school will last throughout our lives.

 PRODUCTION MANAGERS: Linda Brinckman and Denise Treffinger
 DIRECTOR: Mrs. Anne K. Raymond

The Class of '74 made its theatrical debut with Jane Austen's "Pride and Prejudice." This 1810 play concerned the irregular romances of the five Bennett sisters: Jane, Elizabeth, Mary, Kitty, and Lydia.

THE STORY: Mr. Bingley and his sister take up their residence near the Bennetts. Mrs. Bennett is delighted to have such a prospective bachelor so close to her unmarried daughters. Her marriage plans are extended further when Mr. Darcy comes to visit his friend, Bingley, and the Reverend Mr. Collins appears on the scene.

Mr. Bingley immediately falls in love with Jane while Mr. Collins entertains Mrs. Bennett with a promise to propose to Elizabeth. Even Lydia and Kitty are being escorted by the dashing Leftenant Wickham. Mrs. Bennett's dreams seem to have come true, when quite suddenly Mr. Darcy spirits Bingley away to London. Mr. Collins, having been refused by Elizabeth, marries Charlotte Lucas. And to make matters worse Lydia elopes with Wickham.

But matters are not as sad as they appear, for Mr. Darcy has been captivated by Elizabeth, even though she is socially inferior. But that headstrong girl refuses to see the man who has ruined her sister's happiness. Only after many surprising events, including Jane's engagement to Bingley, is Elizabeth able to overcome her pride and Darcy his prejudice.

SENIOR CLASS PLAY

"YOU CAN'T TAKE IT WITH YOU"

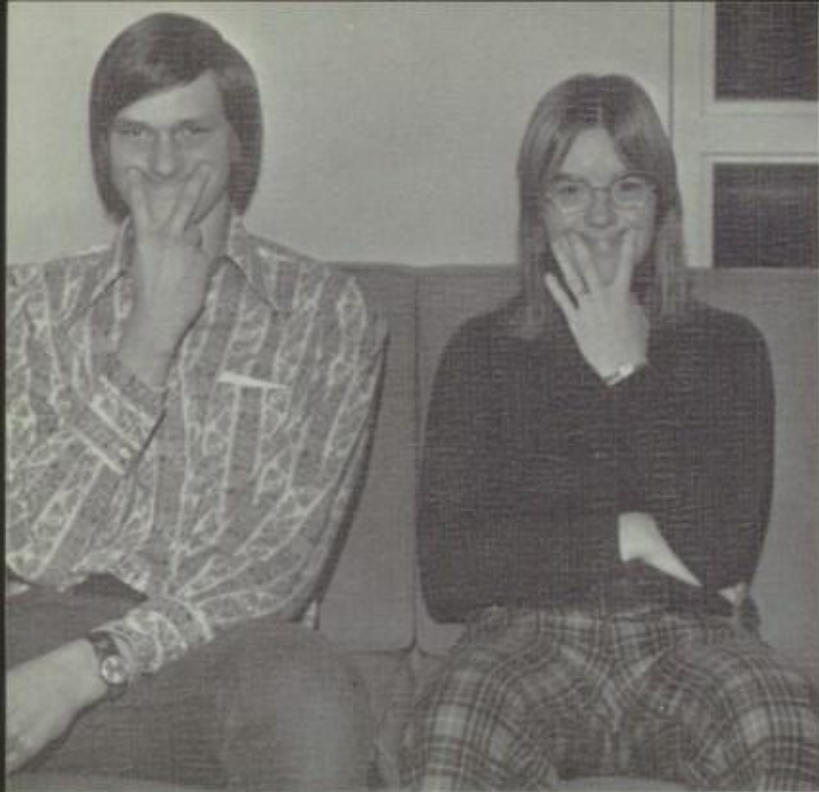

The Class of 74's second drama effort was in the autumn of their senior year with George S. Kaufman and Moss Hart's "You Can't Take It With You." This lighthearted comedy set in the 1930's tells the story of the hilarious and crazy antics of the Sycamore Family.

The official leader of the clan is Grandpa Vanderhof, a white-haired gentleman who had quit working during his younger years and spends his days "takin' it easy." Penelope Sycamore is another leader of the zany crew which includes: A Russian ballet instructor, a father who sets off firecrackers, a drunken actress, Mr. DePinna, and a wise-crackin' maid and her boyfriend. One can imagine what happens when daughter Alice brings home the boss' son, his materialistic Father and his elegant mother to meet the family! But as usually happens in "light-hearted" comedies everything turns out alright. Alice gets her man and everyone learns to loosen up and get some fun out of life — including the audience! After all "You can't take it with you!"

VO-TECH

Many of our students at Upper Perkiomen attend the Western Montgomery Vocational Technical School in Limerick. They spend half of their day at the Vo-Tech School and the rest of the day is spent at the high school. There are many different trades which are offered such as, in the technical field, Audio-Visual, Design Technology, Scientific Data Processing, and Math & Physics. There is also a vocational field in which these courses are offered: Vocational Agriculture, Auto Body, Auto Mechanics, Business Data Processing, Carpentry, Cosmetology, Distributive Education, Electrical Construction and Maintenance, Horticulture, Machine Shop, Welding, and a new course which was added, Grounds Care and Maintenance.

Students may begin attending the school when they are sophomores. Several have started later. Their time at the school is spent working at a particular trade and preparing themselves for a job after completing high school.

In their senior year many students go out on co-op. This is for students who find jobs in their field of work. They report to their job instead of attending classes at the V-T School.

The CITE program was newly introduced at the Vo-Tech school this year. Mr. Edward White is the coordinator of the program. If a student can find a job field in which he is interested he then reports to Mr. White. He will find the student a job for half the day. The students gets payed as with any job. We hope this program will reap continuous success in years to come.

The Student Council, under the leadership of president Art Mancini, conducted a very busy year. Mix Masters were held on a regular basis. These nights opened the school for swimming, dancing, and playing a variety of games and sports. During the Indian summer, a Bike-A-Thon was sponsored for charity. To celebrate the Christmas Season, a Christmas Ball was held in the gymnasium for all Upper Perkiomen High School students and alumni.

Besides social activities, the Student Council became personally involved in the Energy Crisis, proposing an Energy Conserving plan to the School Board. The majority of the plan was accepted and went into effect throughout the school.

The Perk-O-Lator began the new school year by revising its staff of editors. The post of feature editor was discontinued while two new jobs were added, that of Publicity Editor and the Editor for Special Projects. Under the joint "Editor-in-Chiefship" of Robin Kurtz and Jim Snell, with the aid of assistant editor, Linda Shelly, the Perk-O-Lator became a broader paper in its coverage of school, community, and world events. The articles became more diversified and of greater interest for the student body. The Perk-O-Lator also increased its frequency of publication. Responding to these positive changes, the student body showed a greater interest in all four grade levels and became more actively involved in the paper. There was a great deal of work to do for the Perk-O-Lator staff, but they accomplished it well.

About 1000 A.D. a tribe of Indians settled in eastern Pennsylvania. They created a book of their history with carved figures and inscribed them on birch bark plates. They called their book the "Walum Olum."

In the first month of our senior year the yearbook editors and various staffs were chosen. Brenda Geist and Brian Allebach were chosen as Editors in Chief. Mr. Schlicher, our advisor, has constantly helped with the many problems and deadlines for the yearbook.

The staff has had many difficulties from the patron drive to the final deadline. The photographs were taken, write-ups completed, artwork sketched, and the layout for the entire book was drawn up.

We hope that our "Walum Olum" will serve as a memorable history to all patrons, students and especially to the graduating class of 1974.

The International Thespian Society of Upper Perkiomen is one group that is growing in its recognition and activities. Members of the ITS are chosen from the Junior and Senior class plays and are inducted in the spring. Officers for 1974 were Brian Allebach, Mary Clevenstine, Mary Roth, and Lenore Grim.

This year the ITS initiated some new activities. Besides the Senior Class Play "You Can't Take It With You", they presented their annual May production. However, the most interesting happening of the year was the Competition Drama Festival. They performed Shirley Jackson's "The Lottery" in the competition which was held at North Penn. This was the first time the ITS had been active in any type of competition. This year's ITS has taken giant steps towards gaining greater importance and the class of '74 will be well remembered for its contributions. The class hopes the International Thespian Society will continue to grow in the years to come.

DRAMA CLUB

This year there was a new addition to the activities at Upper Perk; the Drama Club, under the direction of Mr. Michael Gallagher. It was formed for those people who wanted to get involved in drama. It is composed of approximately thirty members and is always ready for more that want to be a part of the fun.

We first saw the efforts of the Drama Club at the annual Christmas play. It was a fine performance, and throughout the year they presented entertaining shows. Everyone can be assured that the Drama Club will become a permanent and successful activity at Upper Perk.

The National Honor Society met under the direction of Mr. Richard Lampe. The annual induction ceremony was held in late fall, with Aaron Kistler as president. Members raised money by selling mums at the Thanksgiving day game, which is a tradition at Upper Perk. Other officers who helped run this organization were Jim Snell as Vice-President, Kathy Kelsch as Treasurer, and Wendy Masemore as Secretary. Some members participated in the tutoring program, which was greatly appreciated by their fellow students.

FHA

The Future Homemakers of America, under the leadership of Mrs. Shirley Leister, are a group hoping to make homemaking part of their future career. They planned to attend the annual Farm Show held in January, but it was cancelled due to bad weather. Shan Huber was President of this useful organization. They raised money by selling cook books to area residents. Social activities included a Christmas party, which was a success.

FTA

The Future Teachers of America got off to a late start this year with its first meeting in January. The organization had its largest turn out in some three years. Student teaching days were successfully planned by the members at area Elementary Schools and the Middle School in February and March. The FTA would like to thank Mrs. Linda Moyer, the faculty advisor, without whose cooperation many of the organization's activities would not have been possible.

The cheerleaders have been very active this year leading school spirit at the football and basketball games and at the wrestling matches. Added to these activities they have held many pep rallies throughout the year which have been varied and enjoyable. Some of these included a Homecoming King contest, a Winter Sports Caterpillar, and they sponsored a 1940's day contest with prizes and very funny cheers from the period. Also they have kept the gym halls alive with brightly decorated "spirit signs"

The Varsity and Junior Varsity squads entered a cheering competition on March 9, 1974 at Doylestown. Other high schools from eastern Pennsylvania also attended.

Lori Gronert was this year's Varsity Cheering Captain. Her Co-Captain was Roberta Iapalucci. Other senior members of the Varsity Squad were Brenda Geist, Cindy Swierzewski, Roxanne Sweatt, Mary Roth, Mary Kuhns, and Kathy Kelsch. Captains for the Junior Varsity and Junior High Squads were Jackie Kemmerer and Tammy Carson.

PEP CLUB

This year the Pep Club was introduced into our school. They organized the club and called themselves the Blue and Gold Zonkers. The club was composed of people who wanted to promote school spirit. The members attended the various games to support the teams. We hope this club will continue to show school spirit in the years to come.

CONCERT BAND

Under the able direction of Vincent P. Bercher the band had a very active and successful year, beginning with a parade in Atlantic City. Following that, the band was busy in planning and performing pre-game and half-time shows during the football season. They participated in various Halloween parades including the King Frost Parade in Hamburg. A Festival of Bands was held at Upper Perkiomen for the first time and was so well received that the Band is planning to make this an annual event. The biggest triumph this year was 1st place in the Winter Carnival Parade Held in Pottsville. The band front also received a trophy for 3rd place.

The Band was privileged this year to host the Upper Southeastern District Band Festival consisting of elected students from 45 high schools. Mr. Bercher and the band were proud to have six band members in district band and twelve members in Bux-Mont Band.

Wendy Masemore, President, Charlie Yurick, Vice President, Diane Marcks, Secretary, and Brian Allebach, Treasurer showed their ability in helping to contribute to the band's successful year.

Recognition to the Brass Choir, Clarinet Choir, Dance Band, and concert Band should be given for providing much enjoyment throughout the various musical concerts during the year.

"A" CHOIR

"A" Choir, composed of seniors, juniors, and sophomores, continued with its success. The election of officers was held in early fall. Elected to the offices were Aaron Kistler; President; Dawn Miller, Vice President; Roberta Iapalucci, Secretary; Roxanne Sweatt, Treasurer; and Lenore Grim and Mary Roth, Librarians. During the Christmas season the choir made the traditional journey to Philadelphia for the singing engagement at City Hall Court Yard. The next performance, the Christmas Concert, was a great success and pleased both listeners and participants.

This year as in the past, the chorus members played the role of traveling salesmen. All being ecology minded, they hit the streets to sell burlap bags to finance a possible trip in the future.

Easter brought the annual engagements to sing in churches throughout the area. The Spring concert arrived too soon for all especially for the seniors. It too was a successful event.

The 1973 Hockey Team had a disappointing season only capturing two victories, but the record can not show the determination and team work of everyone. Coaches Utz and Eck and the team came closer to winning than in other losing seasons. Victories came hard for the girls, but when they came they were well earned.

Sue Rauch and Mary Clevenstine were the only two seniors on the team and also served as this year's captains. Returning lettermen included Sue and Mary, along with Roberta Simmons, Vicki King, and Michele Kershner. Next year, the season looks good with 11 varsity letterman returning.

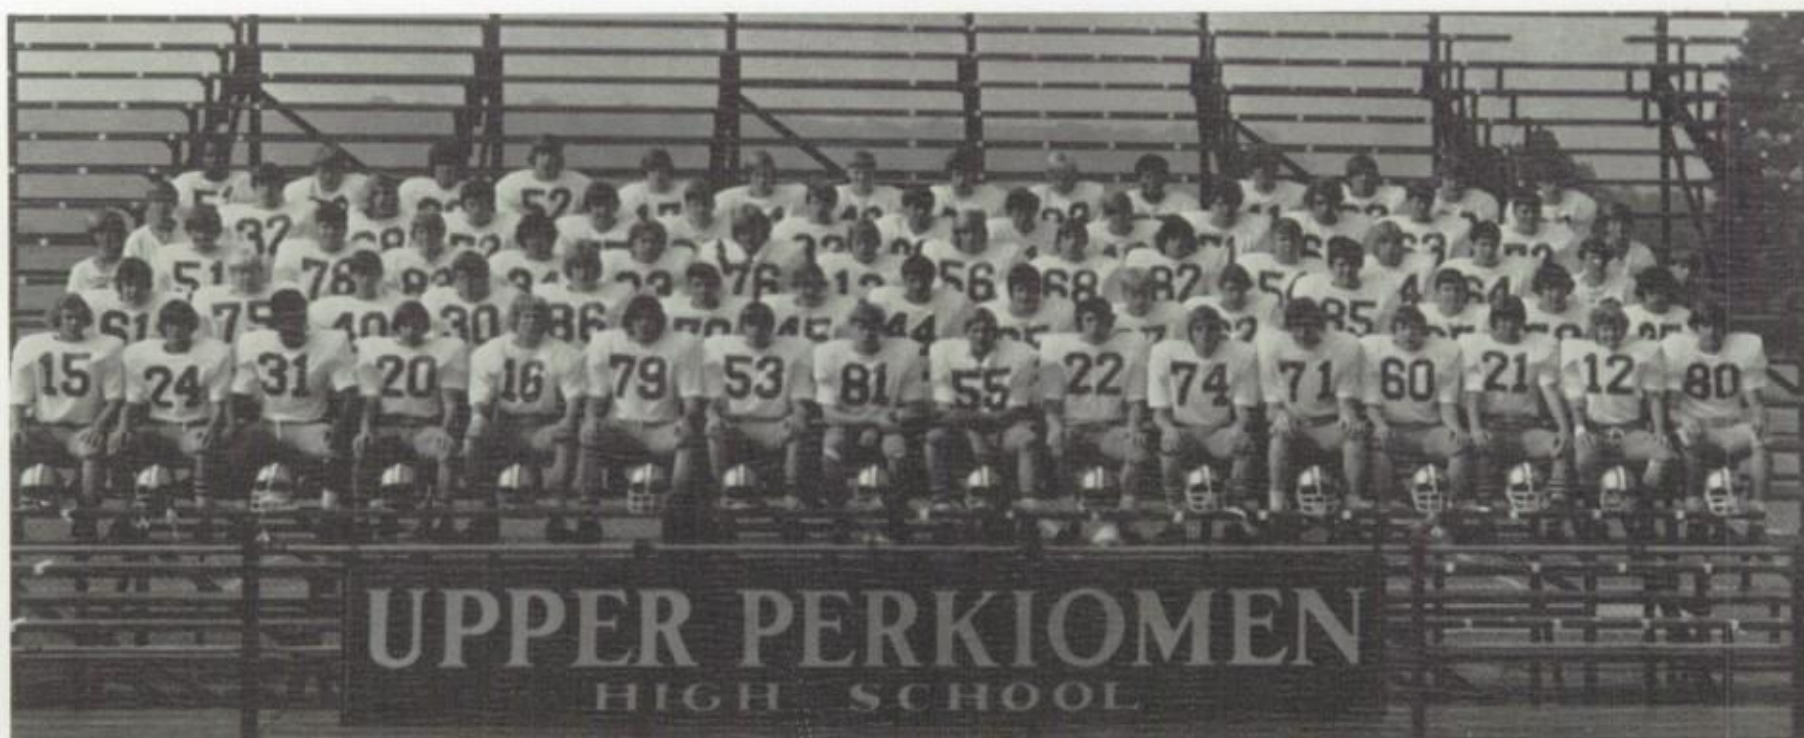

This year two Upper Perkiomen hockey players gained all Bux-Mont recognition, Vicki King, junior, was named on the 2nd team all Bux-Mont and Sue Rauch received Honorable mention.

Across the rain soaked earth a pair of tired feet beat their way toward a destination. A cry of "go" pierces through the only sound a runner hears — that of his own heartbeat. These feet have surpassed all others before them . . . some run like it is what they were born to do and some run with difficulty. One pair usually gets there first, but it means almost as much to finish.

A group of sixteen runners welded together one of the best teams in the Bux-Mont league. With spirit and the aid of coach Ron Hendricks, another winning season in the Bux-Mont of 5-4 and 6-5 overall was brought to U.P. The Indians overran established teams such as Wissahickon and Hatboro to show that we weren't just lucky.

The Indian harriers were led by Seniors Charlie Yurick, Curt Markley, Steve Olafsen, Mark Teske, Leon Pennepacker, and Aaron Kistler.

The team finished a disappointing 5th place in the District Meet at Valley Forge, but sent Yurick and Markley to the State Championship Meet to represent Upper Perkiomen.

The Winter Track team came up with many fine performances while competing against approximately thirty schools in the Greater Philadelphia Track and Field Coach's Meet. Seniors Larry Schlupp, Charlie Yurick, Steve Olafsen, and Curt Markley showed promise of leading Upper Perk to another good track season. Schlupp, a very versatile athlete placed in the pole vault and the hurdles, and also ran in the sprint relay.

Coach Werkheiser also noted that many underclassmen have performed well and added much depth to the team. Many good years of U.P. track are in the forecast.

The varsity basketball team had troubles getting into the win column, but the team kept a competitive spirit and provided many exciting games. Six seniors and five underclassmen rounded out head-coach Neil Kemp's team. These underclassmen, plus successful Junior Varsity and Junior High teams, show promise that basketball strength will again return to Upper Perkiomen.

A hearty thanks is extended to all fans who maintained their loyalty throughout a trying season. Although it is difficult for a small school to compete against much larger ones, the spirit of U.P. will always be supreme.

Coach Schubert and his starting team, which consisted of Scott Gebert, Perry Sweatt, Mike Duka, Barry Tomlinson, and Jim Fryer racked up five victories this season. Their fine performance should prove a great asset in next year's season.

This year Mr. Truman's Junior High team finished second in the league with a record of 10-2. They set a Bux-Mont League record for best defensive effort in a quarter by leaving Indian Valley scoreless for one entire quarter. Both Jon Yeakel and Scott Engle scored over 100 points for the entire season.

COACH

Miss Patricia Eck

Wintertime means something different to everyone, but for certain girls it means playing ball, basketball that is. The 1973-74 basketball season was not as successful as was hoped with a record of four wins and five losses. Coach Eck and the girls won their first game against Quakertown and then fell into a string of five losses. However, the girls made an end of the season rally by winning their last three games, an exciting way to end and a real tribute to the girls who worked hard.

The returning lettermen this year were Sue Rauch, Denise Treffinger, Vicki King, and Pam Schoenagel. The team chose Denise Treffinger as their captain and Sue Rauch as co-captain. The seniors included Rauch, who was the team's high scorer for the second straight year, Treffinger, Mary Clevenstine, and Joanne Mest.

COACH

Miss Geraldine Stride

The Junior Varsity Basketball team, coached by Geraldine Stride, was undefeated for the season. It was a great season for the team which consisted of only sophomore and freshmen girls. Debbie Mack served as the team's co-captain.—

GIRLS' SWIMMING

The girls swim team faced their second year of Bux-Mont League competition with hopes of a good season. There were four seniors on the team: Mary Roth, Lori Gronert, Roxanne Sweatt, and Pat Mack. There were nine returning lettermen, being the four seniors mentioned above and Kathy Henry, Roberta Simmons, Joanne Schoelkopf, and Joanne Moser.

Miss Styer's swimmers ended their season with a 4-6 overall record, their victories coming against Wissahickon, Owen J. Roberts and two wins against Muhlenberg. The girls seem to be finally adjusting to the longer Bux-Mont lengths. Hopefully next year the girls will be completely adjusted and will be in good shape to compete for the league title.

A new sport this year at Upper Perk was wrestling. Coached by Mr. Michael Duka, the team entered competition on the Junior Varsity level. Jody Sturdevant was the team captain and provided encouragement for the rest of the team. Scott Buck, also helped the team by pinning every opponent except two at the end of the season. The team won one match against Souderton at the end of the season. Next year the team will be in varsity competition with all members returning.

The Upper Perkiomen softball team returned as the Bux-Mont Champs. Coach Philip Jones lead his young team to the championship last year and this year the same team returned, for no one was lost through graduation.

Returning lettermen were Sue Rauch, Denise Treffinger, Roxanne Sweatt, Cheryl Romeike, Karen Katrinak, Joanne Mest, Pam Schoenagel, Sue Wieand, Shan Huber, Jan Leitgeb, and Karen Wentzel. Returning First Team All Bux-Mont were: Treffinger, Sweatt, Rauch, and Wieand. The latter two served as the team's captains. Pam Schoenagel was on the Second Team All Bux-Mont.

The strain of being the returning Bux-Mont Champs was great, but the girls hopes were high and for good reason. They were looking forward to the season with great anxiety and determination and they wanted number 1 again.

One of the Upper Perkiomen's most growing teams is its lacrosse team. The sport is fast-moving and quite exciting which is a major reason for its increasing popularity. In Bux-Mont competition, lacrosse has not been as successful as other teams, but that's due to its newness to Upper Perk. However, the girls, this year, hope to improve on their standings of years past and they certainly will give all they have to that.

The team of 1974 consisted of many new players. There were only six returning lettermen: Kathy Kelsch, Wendy Masemore, Mary Kuhns, Gayla Beard, Chris Miklos, and Vicki King. Mrs. Kathleen Utz served as the head coach, a position she has held for four years.

MANAGER

R. Steffey

The girl's tennis team underwent a few changes last year. The increase from three singles and two doubles to four singles and three doubles has made it possible for more girls to compete.

Returning lettermen include: Cindy Sell, Lenore Grim, Shelly Stevens, Pat Johnson, and Lori Gronert. These girls consist of half the team, which makes the outlook for this year's busy schedule a good one.

BOYS' TENNIS

L. TO R: B. Dzurenda, B. Beard, M. Duka, M. Endy, B. Tomlinson, A. Kistler, D. Hendricks, J. Stauffer, T. Breyer, M. Snyder. ABSENT: B. Bercher, M. Teske, B. Miller, B. Miller.

Coach Duka is looking forward to a fine season this year. His returning lettermen, which include seniors Mark Teske, Brian Bercher, Aaron Kistler, and Bob Dzurenda should contribute greatly to the success of the team. The underclassmen, which make up the other half of the team, will also aid in a successful season.

Perry,
to a really terrific
guy. Love those freckles
of yours. I'll never forget
the crush I had on you
when I was little. Always
remember the "good times" at
Upper Perk. Good luck always.

Dear Perry,
cousins like you, are
so few! You have been
a terrific friend who
has a great personality
and sense of humor.
Remember all the crazy
things we did and the
church II classes! Don't
forget the times a knocked
a ride off of you! May
good luck forever be
with you and may God's
blessing to! Take care!

Perry,
 You a real good looking guy and
 good friend. Never forget all the good
 laughs we had in "Cripple-neck's"
 class. Don't forget Boncasi's class
 either. Don't ever lose your great
 personality and good sense of humor.
 Good luck in all you attempt

Perry,
to one of the
cutest boys in the
sophomore class. Please!
Keep your eye lashes super
long and when I graduate next
year I would like to have one. Never
lose your great personality and smile.

Revy,

To some heck of a guy.
You super nice in my
book and I hope you
never change. The best
of luck in your future,
you should get it. I
hope we can be friends
for a long time. Keep in

touch. Take
care!
